

Quadro Set

Accessory for platform scales

Special features

- Complete set, including:
 - 4x HLCB1C3/... Load cell, C3 (OIML)
 - 4x HLCB/ZFP/1.76T Load introduction swivel foot
 - 1x VKK1-4 Junction box
 - 1x CABA1/20 Extension cable roll (20 m)
- Price advantage compared with single item orders

Description

Quadro set is a product specially designed for scale manufacturers. This set includes four **HLCB** type load cells in accuracy class C3 according to OIML R 60 as well as appropriate load introduction feet complete with ideal point-type load introduction, type **HLCB/ZFP/1.76T**. The set is complemented by a **VKK1-4** junction box with integrated resistor network as well as a **CABA1/20** extension cable roll (20 m) with the HBM colour code.

For each nominal load there is one order number, which eases the order process for the customer. In combination with an electronic weighing system, e.g. WE 2110, which needs to be ordered separately, all electric components for a standard legal for trade platform scale are available from one source.

The **Quadro Set** comes with an attractive pricing in comparison to single items orders.

The following **Quadro Sets** are available:

Ordering-No.: 1-QS1C3/300KG	- Including 4 load cells HLCB1C3/220 kg
Ordering-No.: 1-QS1C3/600KG	- Including 4 load cells HLCB1C3/550 kg
Ordering-No.: 1-QS1C3/1.5T	- Including 4 load cells HLCB1C3/1.1 t
Ordering-No.: 1-QS1C3/3T	- Including 4 load cells HLCB1C3/1.76 t
