

## QUICK GUIDE

# ACCOUNT ACCESS

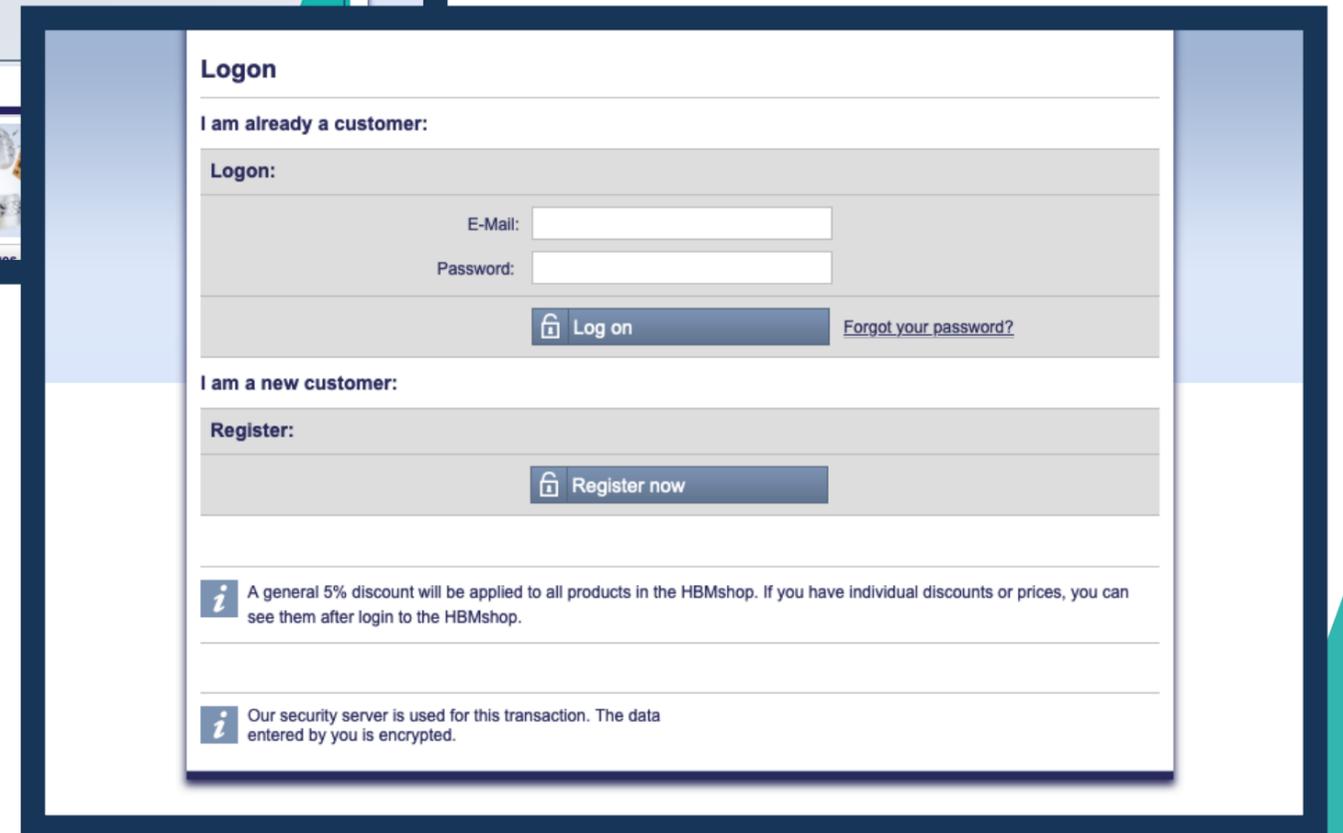

To access the HBMshop you need to have an account.

If you don't have an account already, please register.

If you already have an account, please use your credentials to login.

# REGISTRATION / LOGIN

# NAVIGATION

To find the HBM product that serves your need, you can use the menu on the left and go through the product by category.

# MENU

The screenshot displays the HBMshop website interface. At the top, there are utility links: 'Instant quotes', 'Fast delivery', 'Purchase 24/7', and 'Configurable products'. Below these are 'Log on / Register', 'Hotline', a search bar, and 'Your MyHBM Account'. The main header features the 'HBMshop' logo with the tagline 'Made for Experts', a 'Welcome to our shop.' message, and a 'Shopping basket' showing '0 Items'. A search bar labeled 'Find Product' is positioned below the header. On the left, a vertical navigation menu lists various product categories with expandable arrows. The main content area features a large banner with the 'HBMshop' logo and the text 'MADE FOR EXPERTS', along with subtext: 'Online configurator • Technical documentation • Suitable accessories'. Below the banner, three product category tiles are shown: 'Strain Gauges', 'Transducer Strain Gauges' (marked 'NEW'), and 'Load Cells [kg]'.

# NAVIGATION

For a direct access to a product that you know the name of the reference, you can use the search bar. It is also very useful just need to type the name of the product or reference number.

Please notice that 1-xxxx are standard products and K-xxxx are configurable products.

# SEARCH BAR

The screenshot displays the HBMshop website interface. At the top, there are navigation links: 'Instant quotes', 'Fast delivery', 'Purchase 24/7', and 'Configurable products'. Below these are 'Log on / Register', 'Hotline', and a search input field. The 'Your MyHBM Account' dropdown menu is also visible. The main header features the 'HBMshop' logo with the tagline 'Made for Experts' and a 'Welcome to our shop.' message. A 'Shopping basket' icon shows '0 Items'. A large search bar with the placeholder 'Find Product' is prominently displayed. On the left side, a vertical navigation menu lists various product categories with expandable arrows: Strain Gauges, Transducer Strain Gauges, Load Cells [kg], Force Transducers [N], Torque Transducers, Multicomponent Sensor MCS10, Pressure Transducers, Displacement Transducers, Strain Transducers, Current Transducers, Optical Products, Data Acquisition Systems, Power Analyzers, Industrial Electronics, Software, and Cable and Plugs. The main content area features a large banner with the 'HBMshop' logo and the text 'MADE FOR EXPERTS', along with the subtext 'Online configurator • Technical documentation • Suitable accessories'. Below the banner, three product categories are highlighted with images and titles: 'Strain Gauges', 'NEW Transducer Strain Gauges', and 'Load Cells [kg]'.

# PRODUCT

One of the HBMshop benefits is the configuration of your own products. Through this tool you can configure with your own specifications the products that are configurable.

Please notice that 1-xxxx are standard products and K-xxxx are configurable products.

# SHOPPING BASKET

One of the HBMshop benefits are the eQuotations, which means that you can create instant quotations for a desired basket.

Please follow these steps to create an eQuotation:

- 1 - Add items to basket
- 2 - Fill the Description
- 3 - Click on Create Instant Quotation
- 4 - You will get an quotation in your email inbox.

# CREATE INSTANT QUOTATION

The screenshot displays the 'Create Instant Quotation' interface in the HBMshop. On the left, a navigation menu lists various product categories such as Strain Gauges, Load Cells, and Force Transducers. The main content area features a 'Shopping basket' header with 'Checkout' and 'Check Order' options. Below this, a form prompts the user to enter an order or reference number. The shopping basket table contains one item: '1-KAB146-6 Connection cable for multi comp. transd.' with a quantity of 1 and an availability date of 05.05.2021. A 'Total Net Price' section states that all prices exclude applicable sales tax. Action buttons include 'Go To Checkout', 'Ask our Experts', and 'Update shopping basket'. At the bottom, there is a 'Create Instant Quotation' section with a 'Description' text area and a 'Create Instant Quotation' button.

Product	Qty	Price	Avail. Date (ex factory)	
<b>1-KAB146-6</b> Connection cable for multi comp. transd.	1	PCS	05.05.2021	

**Total Net Price:**

All prices exclude applicable sales tax  
Discounts and customer-specific conditions are included in the prices.

# CHECKOUT

You should fill the billing and shipping information to proceed.

You might select an already existing shipping address or use an one time shipping address.

# SHIPPING METHODS

The screenshot displays the HBMshop checkout interface. At the top, the logo 'HBMshop' and a 'Welcome' message are visible. A search bar labeled 'Find Product' is present. Below the search bar, a navigation bar includes 'Shopping basket', 'Checkout' (the active step), and 'Check Order'. The main content area is titled 'Checkout' and features two steps: '1 Select a billing address' and '2 Select a shipping address'. Both steps show a selected address for 'Hottinger Baldwin Messtechnik GmbH' located at 'Im Tiefen See 45, 64293 Darmstadt, Germany'. An information icon indicates that all invoices will be sent by email. A button at the bottom of the shipping address section allows for entering a new shipping address for this order. On the left side, a vertical menu lists various product categories and account management options.

# myHBM

In myHBMshop you can access all your quotations, even if they were not requested at the HBMshop.

All your quotations requested either online or offline can be purchased in the HBMshop.

# ALL QUOTATIONS

The screenshot displays the myHBMshop website interface. At the top, there are navigation links: 'Instant quotes', 'Fast delivery', 'Purchase 24/7', and 'Configurable products'. Below these are utility links: 'Log off', 'Hotline', an email icon, a search bar, and 'Your MyHBM Account'. The main header features the 'HBMshop' logo with the tagline 'Made for Experts', a 'Welcome' message, and a 'Shopping basket' containing '1 Item'. A 'Proceed to Checkout' button is visible next to the basket. A 'Free quote' button is also present. A search bar labeled 'Find Product' is located below the header. The main content area is divided into two sections: a left sidebar with a menu and a right section titled 'My Quotations'. The sidebar menu includes: 'All Orders', 'My Quotations' (highlighted), 'Saved shopping baskets', 'My Addresses', 'Change Password', 'My regular purchases', 'My customized strain gages', 'Strain Gauges', 'Transducer Strain Gauges', 'Load Cells [kg]', 'Force Transducers [N]', 'Torque Transducers', 'Multicomponent Sensor MCS10', 'Pressure Transducers', and 'Displacement Transducers'. The 'My Quotations' section has two tabs: 'Open Quotations' (selected) and 'Ordered Quotations'. The content area below the tabs is currently empty.

# myHBM

In your myHBM account you can select any of your previously saved baskets.

This helps you to easily access your save shopping baskets, repeat orders and create a new quotation.

## SAVED SHOPPING BASKETS

The screenshot shows the myHBM shop interface. At the top, there are navigation links: Instant quotes, Fast delivery, Purchase 24/7, and Configurable products. Below these are utility links: Log off, Hotline, a search bar, and Your MyHBM Account. The main header features the HBMshop logo with the tagline 'Made for Experts', a 'Welcome' message, and a shopping basket icon indicating '1 Item'. A 'Proceed to Checkout' button and a 'Free quote' link are also visible.

The left sidebar menu is open, showing the following options:

- ▶ All Orders
- ▶ My Quotations
- ▶ Saved shopping baskets
- ▶ My Addresses
- ▶ Change Password
- ▶ My regular purchases
- ▶ My customized strain gages
- ▶ Strain Gauges
- ▶ Transducer Strain Gauges
- ▶ Load Cells [kg]
- ▶ Force Transducers [N]
- ▶ Torque Transducers
- ▶ Multicomponent Sensor MCS10
- ▶ Pressure Transducers
- ▶ Displacement Transducers
- ▶ Strain Transducers
- ▶ Current Transducers
- ▶ Optical Products
- ▶ Data Acquisition Systems

The main content area displays 'Saved Shopping Baskets' with '10 Documents Found'. The table below lists the saved baskets:
